### **DRAWING AMENDMENTS**

In the current Action, the Office objects to drawing Figures 3 and 4. Specifically, the Office states that “[a] box and/or a line drawn around each individual drawing figure is needed to show each individual figure as a separate entity”. (*Office Action of 8/22/06*, p. 2). The Office also included an example of how Applicant could obviate the grounds for objection. Applicant thanks the Office for its help, and attaches herein a new drawing sheet containing Figures 3 and 4 and properly labeled as a “replacement sheet”.
